IMAGINE KIDS

thanks for being interested in the
IMAGINE 22 journey!!

we're so excited to be able to gather as a whole
church and would love to have you!!

this conference is always one of the most powerful,
connecting and equipping moments
as a church as we spend an extended time
TOGETHER seeking Him!

we pray that imagine kids is a powerful marker
moment in your child's faith, no matter their age.

as they come around HEAPS of **fun**, meet **friends**,
have the **best experience of church**, get to know
leaders, worship, hear **God's word** and learn of
God's power in their life - we know this foundation
has the power to be life changing. We are believing
that every child will leave different to how they
arrived!

for your **whole family** attending imagine, we are
EXCITED to gather and connect with you!
Praying that as you all sacrifice take time out of
your regular rhythms to encounter God and sink
deeper in His church, that you would be so
refreshed and renewed!

We hope that this booklet gives you some more
information about the kids conference if this would
be your first imagine together.

AGES 1-KINDY PROGRAM

'POWER UP'

**a 3 day program learning of people
in the Bible who discovered God's power for
their life!**

+ how we can too!

*While we have a structured program, we understand that your child may struggle to engage in this or they may not be ready for these activities yet! We will have our main supervised play and rest spaces available all conference in this room :)

PP – YEAR 6 PROGRAM

'LEVEL UP'

**3 days of hanging out, praising God together
and looking at ways we can engage with God
to have level up faith in our lives!**

Please let us know if there is any way that we can engage your child in these activities better!

We will also have a low sensory space and rest space available for the duration of conference :)

PP Girls
Year 2 Boys
Year 3 Girls
Year 6 Boys

YELLOW TRIBE:

PP Boys
Year 2 Girls
Year 3 Boys
Year 6 Girls

FAQ

for any questions, feel free to email Mon! mons@tn.church

Can I register for part of conference?

Our heart for Imagine Conference is that it would be an extended period of time where our church can gather, worship, get to know each other and imagine + support each other in the journey ahead! For this reason our primary goal is to have people attending as much of the conference as possible.

If there is space in the week before conference, we will release a day registration for adults. However given the low price of Imagine Kids and the need to cater for a set amount of children participating, we are unable to split Imagine Kids registrations in most circumstances.

If you have any questions about your registration however, feel free to contact us.

Do adults have to attend with their kids?

As Imagine is a whole church conference, registrations of Imagine Kids is only open to kids who's families are attending conference! Looking forward to this moment together as we sacrifice time out of our normal routines to spend 3 days and seek God together.

Will my child have space to rest at conference?

For sure - given that Imagine Conference is a 3 day event (including evenings), all of our spaces will have in them rest spaces, tents, pillows, dim lighting and scheduled times for all ages where no official activities are being held. This is to encourage kids who are tired to have some down time with their friends or a rest!

For our younger kids in Paw Patrol Party, we will have set sleep times where kids are encouraged to sleep after a small dance party and building blanket forts together. If your sleep schedule is different to that of Imagine Kids, please let us know on the day, the sleep area will always be dimly lit and available at any time.

Will my child be fed?

Imagine Kids will not be happening over lunch or dinner time!

However for our Level Up Age Group (PP-Year 6) we will have a snack creation time as a hands on activity twice a day. In your registration, please let us know any allergies!

We would appreciate it if all children could bring a labelled lunch box (nut and egg free) and water bottle as they would at school, to help them be more comfortable and have enough snacks!

For lunch and dinner, they will be checked out and 115 Collective will have meal packages or there will be space to bring alternative food/go home for a few hours to eat.

My child doesn't know many people yet or may be nervous to attend.

That's okay! We are so excited to welcome your child in and help them feel more connected than ever in church through Imagine Conference.

We will have alternate quiet spaces in all areas of Imagine Kids and please let us know if there is any environment your child may need more support in! (Eg coloured stage lights, music, etc)

If you have any concerns or ideas of how your child will best connect in a new space at Imagine Kids, please don't hesitate to contact Mon. We know that once your child settles in they will have an incredible few days!!

So please don't hesitate to let us know any ways we can help them settle in as quickly as possible in the fun spaces set up :)
