FAQ

For any questions, feel free to email Hayley (hayleyr@truenorthchurch.au) Laura (lauraj@truenorthchurch.au) or Grace (gracee@truenorthchurch.au)

Can I register for part of conference?

Our heart for Imagine is that it would be an extended period of time where our church can gather, worship, get to know each other and imagine + support each other in the journey ahead! For this reason our primary goal is to have people attending as much of the event as possible.

If there is space in the week before the event, we will release a day registration for adults. However given the low price of Imagine Kids and the need to cater for a set amount of children participating, we are unable to split Imagine Kids registrations in most circumstances.

If you have any questions about your registration however, feel free to contact us.

Do adults have to attend with their kids?

As Imagine is a whole church event, registrations of Imagine Kids is only open to kids who's families are attending! Looking forward to this moment together as we sacrifice time out of our normal routines to spend 3 days and seek God together.

Will my child have space to rest at conference?

For sure - given that Imagine is a 3 day event (including evenings), all of our spaces will have in them rest spaces, tents, pillows, dim lighting and scheduled times for all ages where no official activities are being held. This is to encourage kids who are tired to have some down time with their friends or a rest!

For our younger kids But please note- we only have a rest area available on Saturday this year, so if you feel your child will need a nap or rest please feel free to keep them with you. Team are not available or trained to rock children to sleep, as they are volunteers.

Will my child be fed?

Imagine Kids will not be happening over lunch or dinner time!

We would appreciate it if all children could bring a labelled lunch box (nut and egg free) and water bottle as they would at school, to help them be more comfortable and have enough snacks. We will also have donated fruit available for children to eat at any time.

For lunch, they will be checked out and 115 Collective [have pre-order food options](#) or there will be space to bring alternative food/go home for a few hours to eat.

Dinner on Friday and Saturday evenings included in this years conference.

My child doesn't know many people yet or may be nervous to attend.

That's okay! We are so excited to welcome your child in and help them feel more connected than ever in church through Imagine.

We will have alternate quiet spaces in all areas of Imagine Kids and please let us know if there is any environment your child may need more support in! (Eg coloured stage lights, music, etc)

If you have any concerns or ideas of how your child will best connect in a new space at Imagine Kids, please don't hesitate to contact the TNK team. Know that once your child settles in they will have an incredible few days!!

So please don't hesitate to let us know any ways we can help them settle in as quickly as possible in the fun spaces set up :)
